LANZAROTE

WHY LANZAROTE?

The Island of Lanzarote is located at the eastern end of the Canary archipelago.

Burnt by fire, Lanzarote has developed a new and unique landscape, hard to find elsewhere. Besides its natural beauty and its warm climate throughout the year, Lanzarote, as well allows us to organize all kinds of events, becoming an ideal destination for all kinds of meetings, whether for business or pleasure.

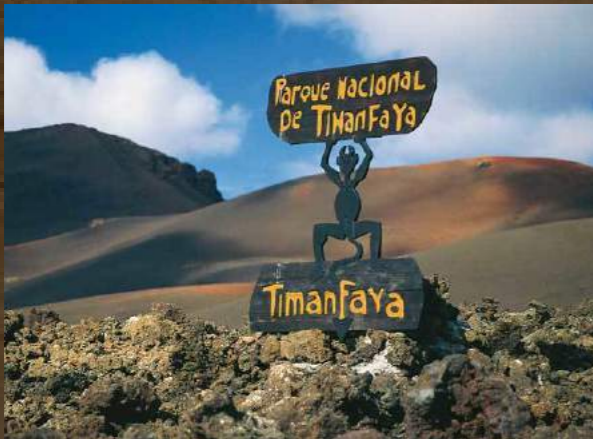

ITINERARY DAY 1

TIMANFAYA & THE LAVA COAST |

LUNCH AMONG VOLCANOES |

CASTILLO DE SAN JOSÉ |

DAY 1 / LANZAROTE ACTIVITIES

TIMANFAYA & THE LAVA COAST

We will start the visit towards the Fire Mountains, where we will discover the Timanfaya National Park. With more than 20 volcanoes, at our arrival we will have the possibility to enjoy an amusing camel ride upon the volcano. Lunch will be held at El Diablo restaurant, and after this unforgettable experience, our journey will take us on the magnificent crater tour, with the best views of the lava fields, direction the beautiful bay of El Golfo and the salt flats of Janubio, where you will learn about the importance of salt extraction in the island's history.

LUNCH AMONG VOLCANOES

At those incomparable surroundings, we offer you to enjoy a unique lunch among volcanoes!

The Restaurant Montañas del Fuego or also known as El Diablo is located within the Timanfaya National Park.

Its main peculiarity is that its food is cooked in the open oven in the volcanic stone with the heat of the volcano. The restaurant is circular in shape with a large window that surrounds the entire restaurant and overlooks the volcanoes.

DAY 1 / LANZAROTE RESTAURANTS-ACTIVITY

DAY 1 / LANZAROTE RESTAURANTS

CASTILLO DE SAN JOSÉ

The Museo Internacional de Arte Contemporáneo MIAC (International Museum of Modern Art) is situated in the old military fortress of the Castillo de San José.

Here we will find inserted between the irrigation port of the marbles and the fishing port of Naos, the restaurant.

With excellent views over the Marina Reef, we will have the chance to enjoy a wonderful meal.

ITINERARY DAY 2

FUN CAR RALLY |

MONUMENTO AL CAMPESINO |

RUSTIC DINNER AT LA GERIA |

DAY 2 / LANZAROTE ACTIVITIES

FUN CAR RALLY

A different way to discover the island by our own based on the cooperation of the teams and the enjoyment of the landscapes and the local gastronomy. In groups of 4 people, we will have a car driven by ourselves, with which we will discover the north including Cesar Manrique Foundation, Jardín de Cactus, Mirador del Rio and Cueva de los Verdes. At each station of the route, we will meet our guides to learn about those amazing places! To regain our strength, we will do a stopover at Monumento al Campesino to enjoy an authentic Canarian meal. In the afternoon, we will have some free time to keep discovering the island by ourselves.

MONUMENTO AL CAMPESINO

In the geographic center of Lanzarote stands one of the works of César Manrique full of symbolic references: the Casa-Museo del Campesino.

Inside this place , we can see numerous objects and tools related to island culture and agriculture. In this old Canarian house, you can find several types of food services: the restaurant occupies a spacious inner living room resembling to a large volcano.

DAY 2 / LANZAROTE RESTAURANTS-ACTIVITY

DAY 2 / LANZAROTE RESTAURANTS-ACTIVITY

RUSTIC DINNER AT LA GERIA

We propose you an special dinner in a very authentic place surrounded by the serenity of the landscape of La Geria. We will take a brief nocturnal walk between the vineyards to arrive at this enclave, where we will begin with a wine tasting. We will enjoy a dinner prepared on the embers of a wood barbecue in a pleasant atmosphere, illuminated for the occasion. At the end of this day we will see the starry sky of Lanzarote with a specialized guide who will discover all the secrets it holds.

ITINERARY DAY 3

REGATTA CHALLENGE

LUNCH AT PUERTO CALERO

JAMEOS DEL AGUA

DAY 3 / LANZAROTE ACTIVITIES

REGATTA CHALLENGE

The activity consists in making a regatta as similar as possible to reality!

The J80 is easy to control, but also very exciting to sail and compete as it reaches up to 18 knots on windy days.

Once we arrive at our facilities in Puerto Calero, we will divide into teams of 5 people each, to compete with our colleagues and enjoy the sea in an incredible adventure!

LUNCH AT PUERTO CALERO

Puerto Calero is a privileged place to enjoy a quality lunch. In front of the superyacht area there are many wonderful restaurants, some recommended in the prestigious Michelin Guide as Bib Gourmand.

The beautiful views and the quality of the products make Puerto Calero a place where you can live a unique gastronomic experience.

DAY 3 / LANZAROTE RESTAURANTS

DAY 3 / LANZAROTE RESTAURANTS

JAMEOS DEL AGUA

Jameos del Agua is the ideal place if we want to impress the visitor. It is a volcanic tube that transformed by the hands of Cesar Manrique has given it a unique touch in the world.

The Jameos del Agua is located inside the volcanic tunnel produced by the eruption of the Corona Volcano, in the section of this tunnel closest to the coast. It consists of at least three jameos or openings in the ground. Due to this structure you can play with different areas for a special dinner depending on the number of participants.
